DOWNLOADABLE CONTENT

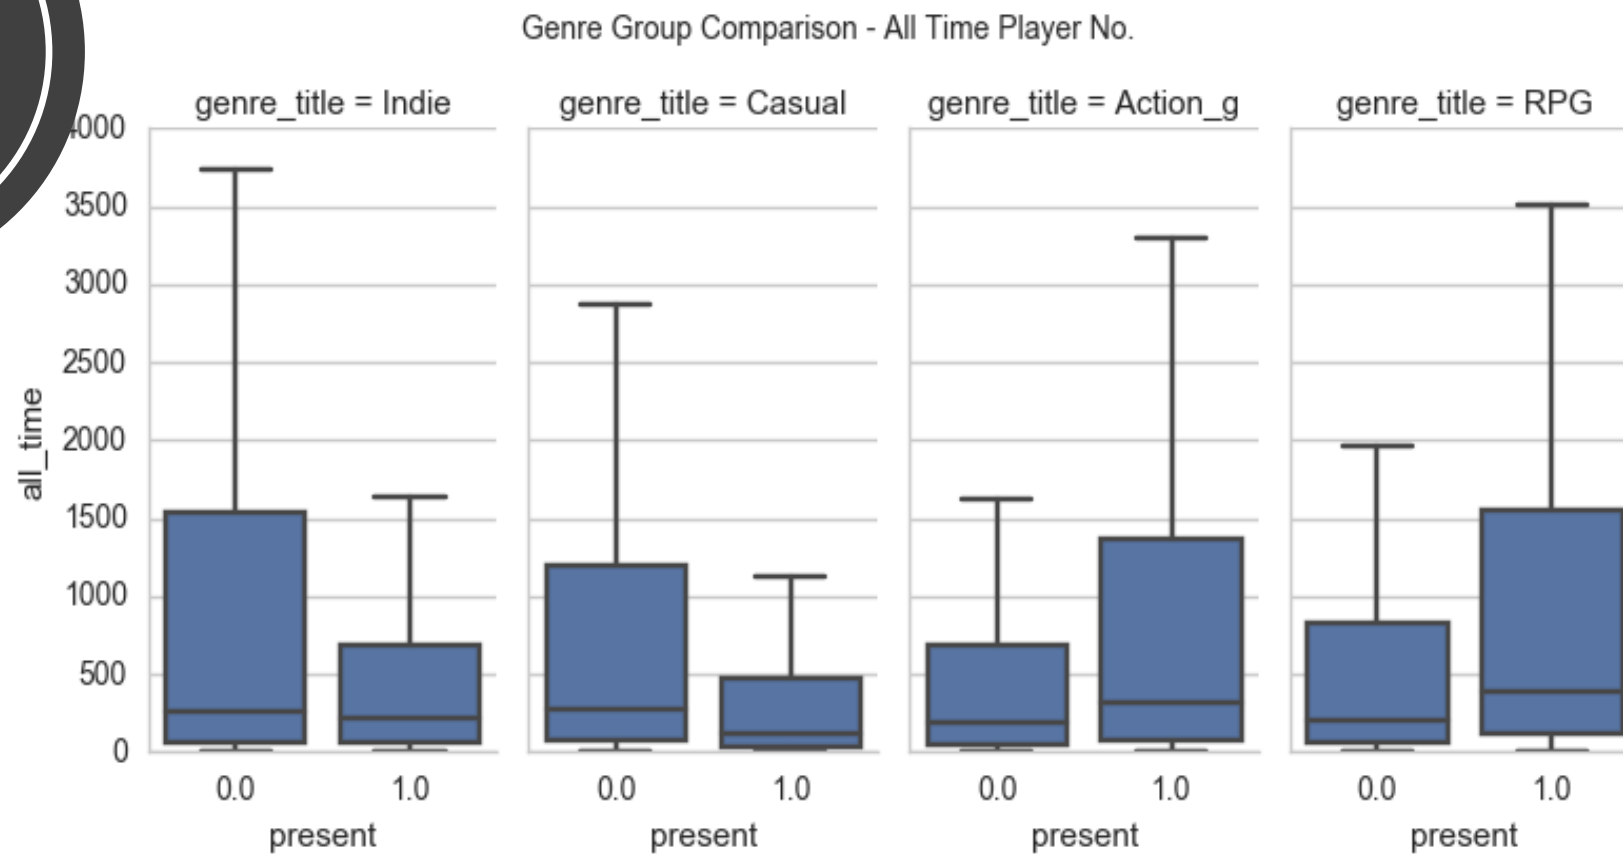

- Additional content created for a released game
- Only ~ 15% of the games have downloadable content (avg. 1)
- It is significantly associated with an increased in the maximum number of players

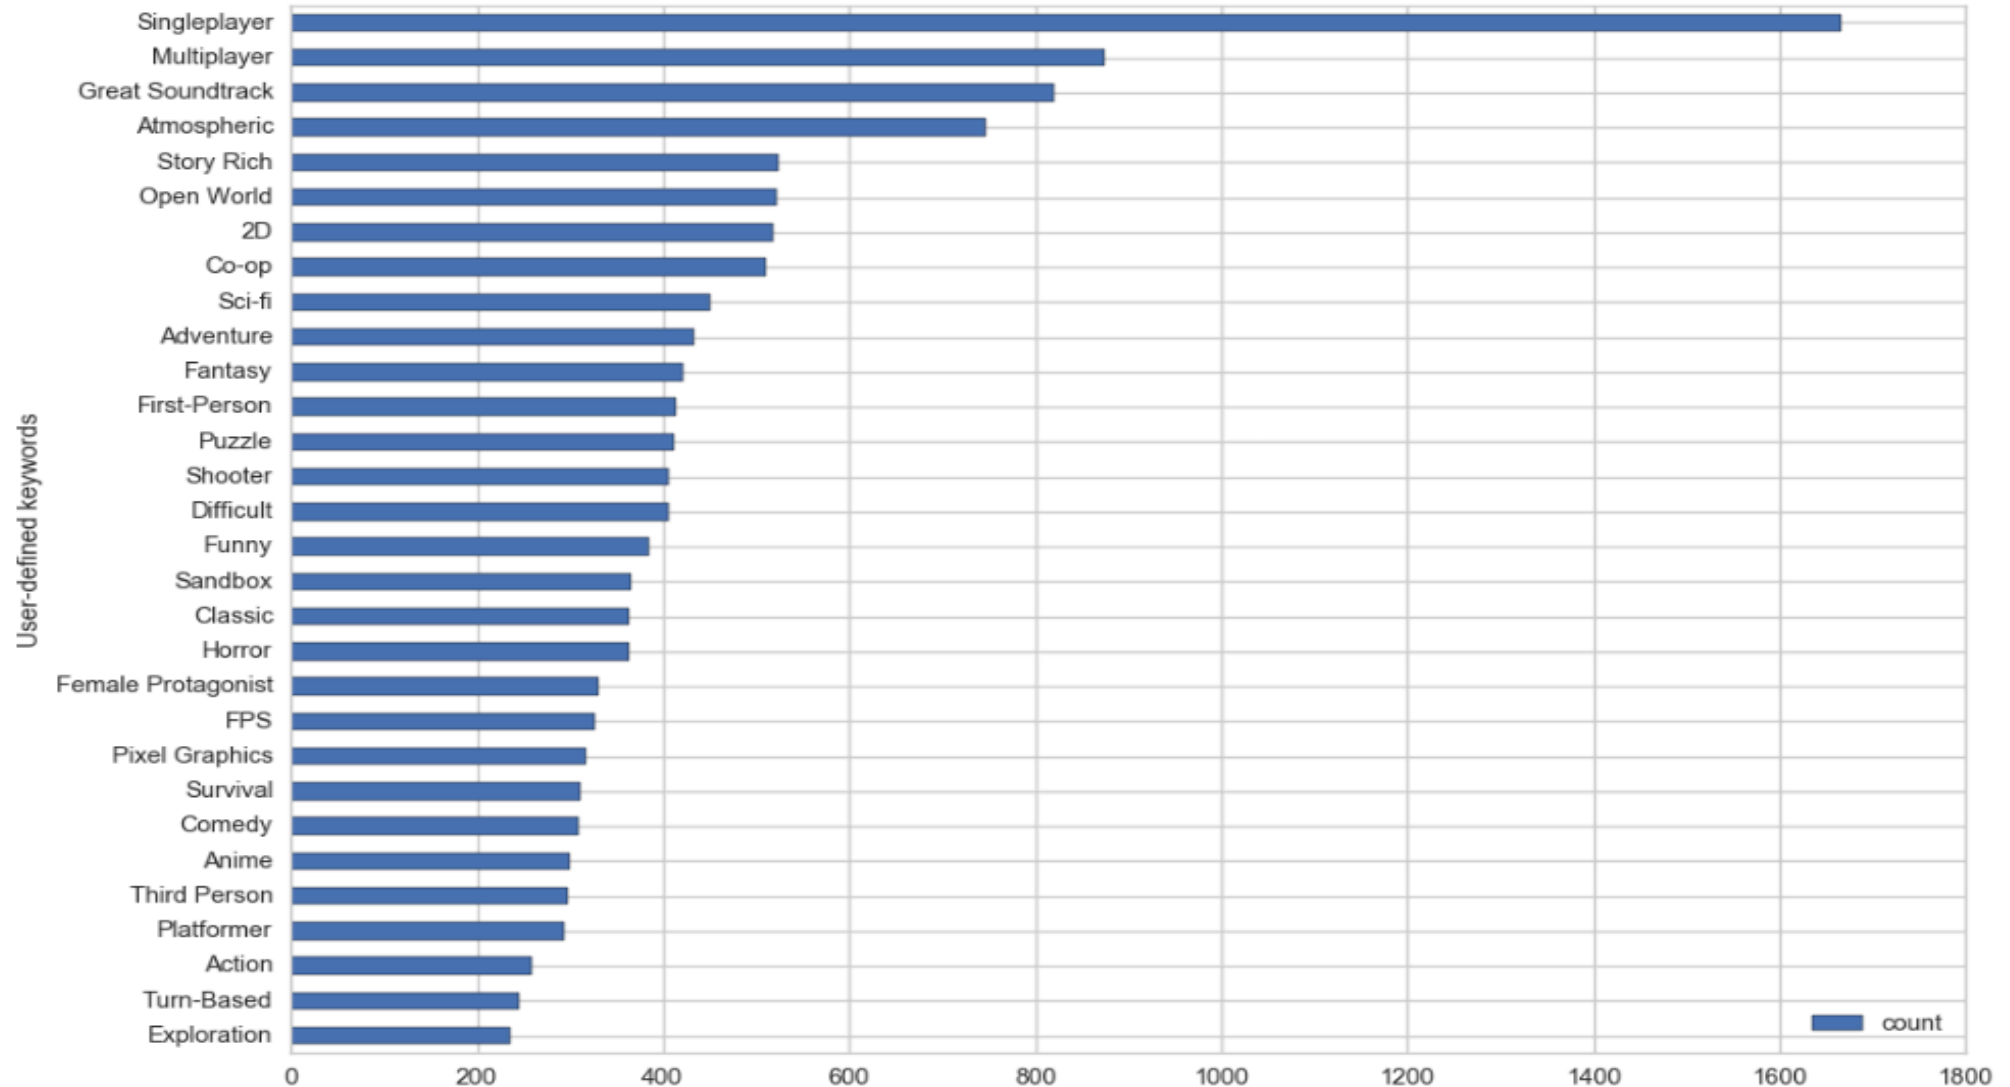

GENRE

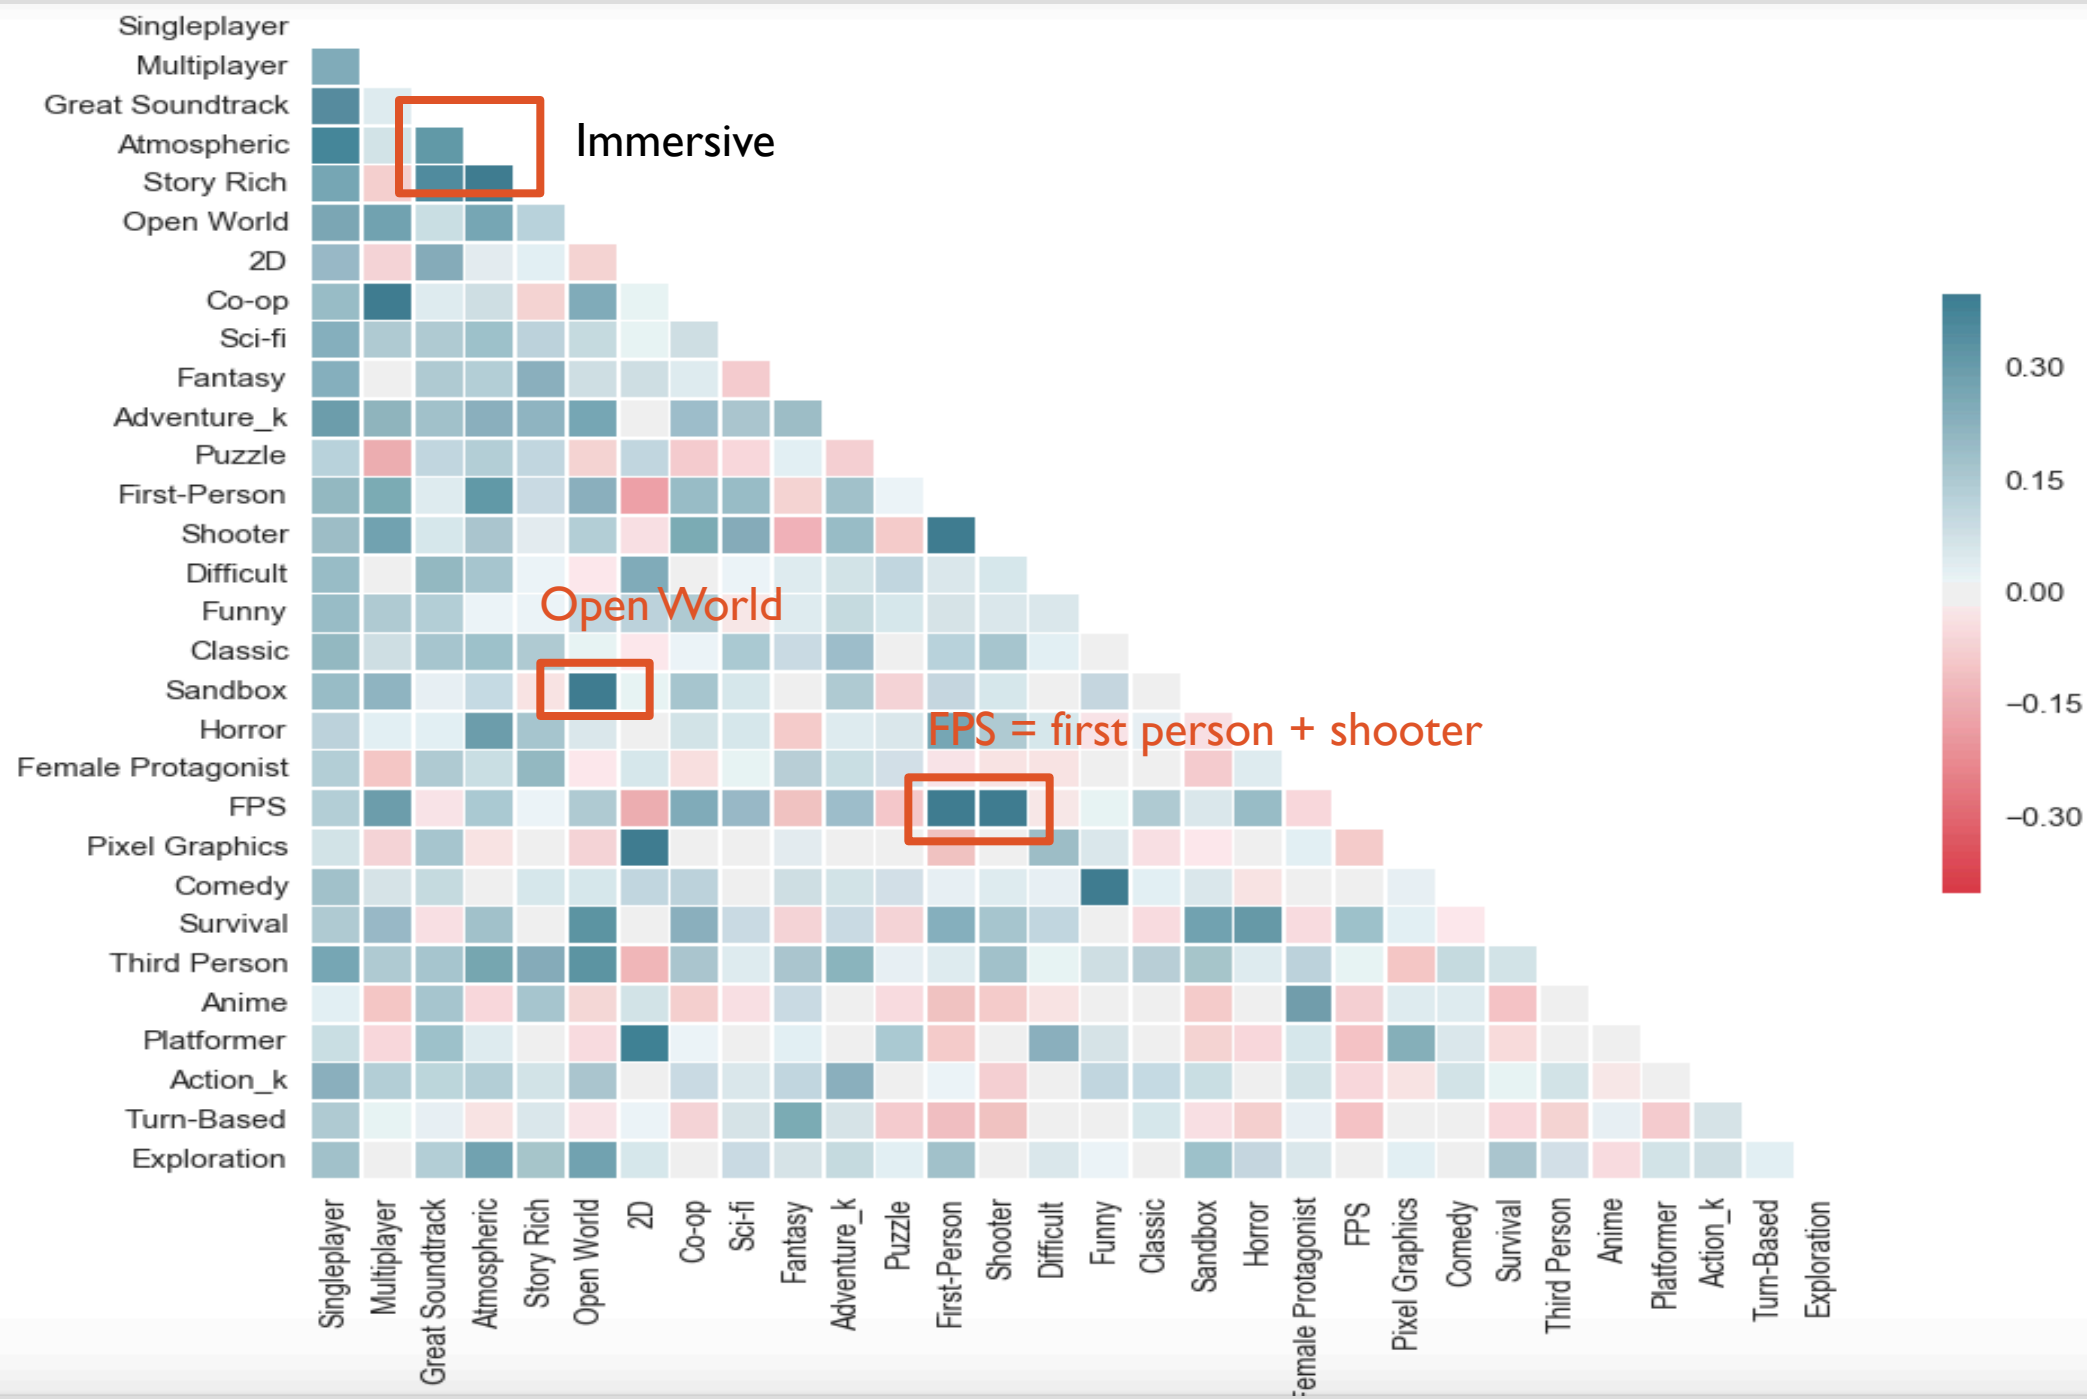

GENRE & PLAYERS

USER-DEFINED KEYWORDS

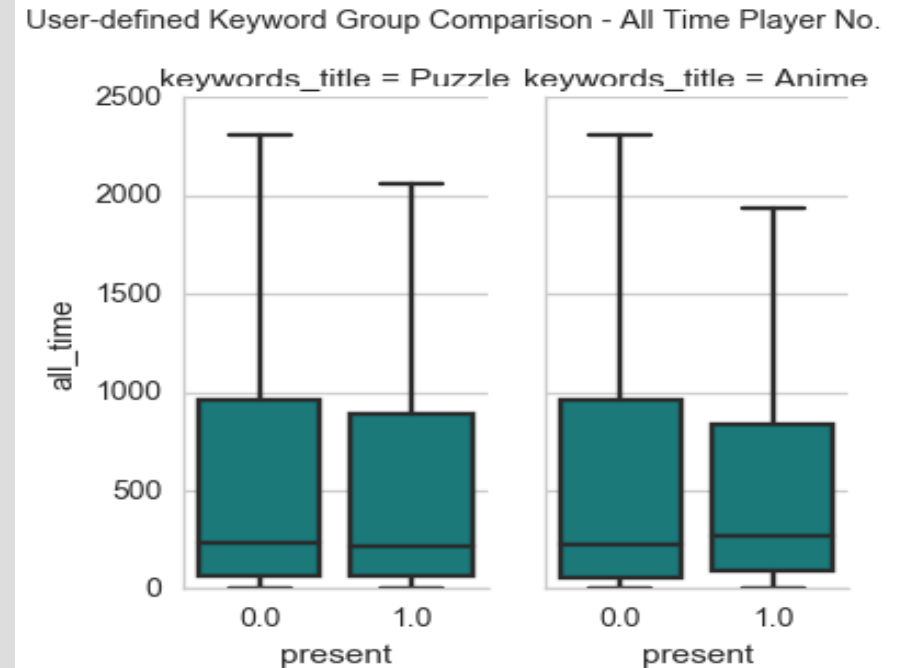

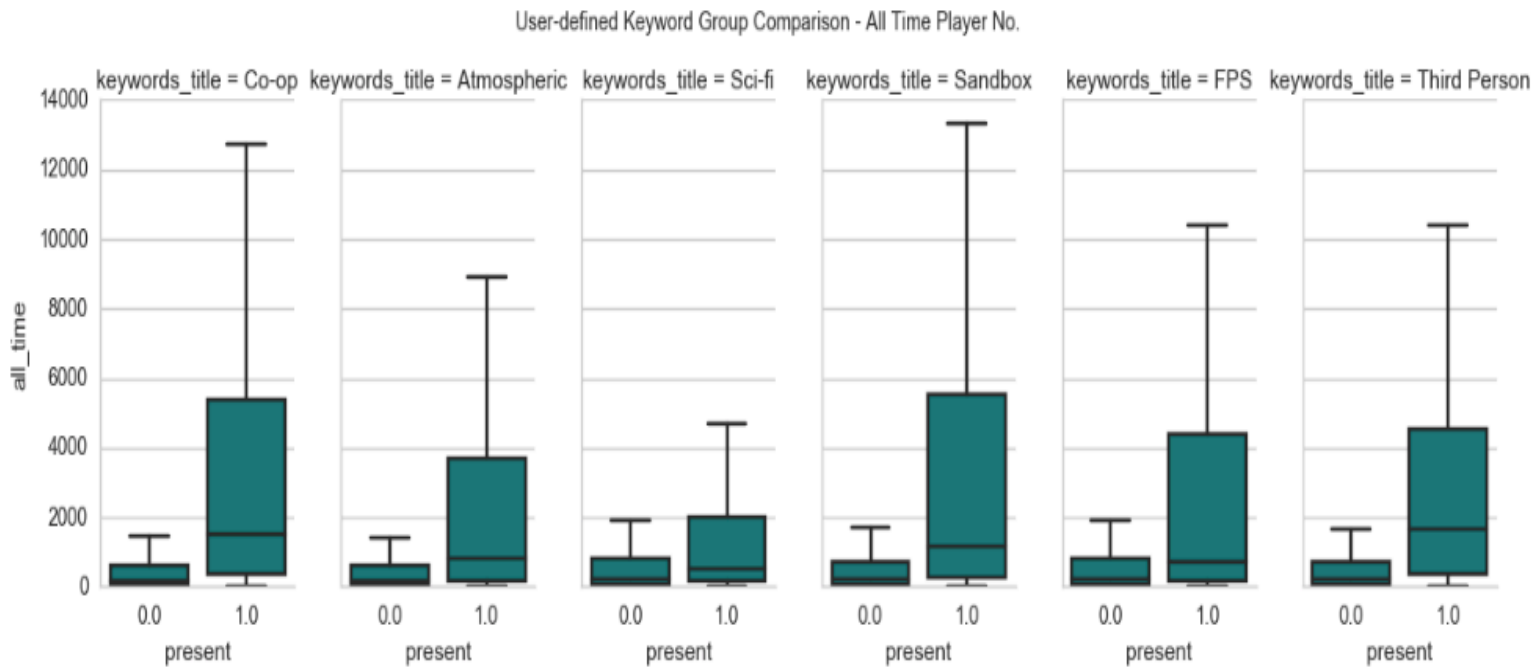

ASSOCIATION

POSITIVE

- Multiplayer/Co-op
- Immersive Experience
- Sci-fi Theme
- Sandbox Design
- First Person Shooter
- Third Person

NEGATIVE

- Puzzle
- Anime

CONCLUSION AND FUTURE DIRECTION

- The highest volume of players is associated with dlcs, genres, and keywords
- Future Direction:
 - Further understand the relationship between keywords and genre
 - Player retention: compare current number of players with the highest volume of players
 - Players characteristics
- Implications:
 - Understand what players are looking for
